

Maths

Place Value: Represent numbers to 100 & 1,000. Partition numbers to 100 & 1,000 Find 1, 10 or 100 more or less Addition & Subtraction: Add 2-digit & 3 digit numbers Subtract a 2-digit from a 3-digit number Multiplication & Division: Understanding of multiplication through arrays. Multiply & divide by 3, 4 & 8 2, 4 & 8 times tables

English

Our work in English shall be linked to our Invaders and Settlers theme and will include: Writing a descriptions of settings, the planning and writing of a guided voyage and return story and how accounts of events are written. An understanding of how a reader is informed will be explored and in poetry, both list poems and Haiku will be written.

PSHE

In our PSHE work we will consider what our dream school looks like and explore rewards and consequences.

Outdoor learning

Children will use the outdoors in all areas of the curriculum, including R.E. where they will develop their spirituality through an appreciation of God's World.

History- The Anglo Saxons and Normans

Within this topic we will explore who the Anglo Saxons were and where they came from. We will consider why the Anglo-Saxons invaded Britain and how this impacted Britain. We will find out that under Anglo-Saxon rule, Great Britain was divided into kingdoms and we will locate and discover more about these kingdoms. Linked to this work, we will find out what life was like living in Anglo-Saxon Britain exploring art and culture during this time. We will explore the lives of significant individuals during this time period such as King Arthur and King Harold II. Following on from our work on King Harold II we will find out more about the end of Anglo Saxon rule in Britain and the Battle of Hastings. We will create a timeline of events based on the battle and consider how life in Britain changed under Norman rule.

Geography- British Isles and East Anglia

Linked to our History work, we will identify key towns and places for attack and invasion in England explaining why they are important geographically for invasion. We will explore the four Kingdoms of England during Anglo Saxon rule in particular focusing on East Anglia. Moving on from our history work we will explore the human and physical features of the British Isles including rivers, counties and major cities.

Computing- Online Safety and Data Bases

We will learn about online safety: 'fake news', privacy settings and ways to deal with upsetting online content. We will consider how to protect our personal information on social media. In our second topic, we will learn about records, fields and data, further exploring the concepts of sorting and filtering.

Art- Abstract shape and space

We will explore how shapes and negative spaces can be represented by three dimensional forms. We will manipulate and join a range of materials to create free-standing structures.

DT- Constructing a castle

We will identify and learn about the key features of a castle before designing and making a recycled-material castle.

Invaders and Settlers: The Anglo Saxons and Normans (Autumn Term)

Science- Electricity and a British Scientist Study

In our topic we will identify common appliances that run on electricity and recognise dangers when using electrical items. We will construct a simple series electrical circuit, identifying and naming its basic parts, including cells, wires, bulbs, switches and buzzers. We will set up a number of practical investigations to identify whether or not a lamp will light in a simple series circuit, based on whether or not the lamp is part of a complete loop. Within our Science work, we will also study the work of a British Scientist.

Music-Sparkyard:

Hear it, play it, exploring rhythmic patterns. This term, the children will explore rhythmic patterns through percussion, song and movement, listening to Blues and Rock 'n' Roll before creating and notating their own rhythms.

CST Principles

The Common Good means working together so everyone can flourish. God calls us to care for others and help our whole community.

Spanish

Hola- We will learn simple greetings
mi cuerpo- We will learn the names of our body parts

PE- Dance & Fitness

Pupils develop fitness and fundamental movement skills through dance, using rhythm, formations and teamwork to create and perform movement sequences.

Cooking and growing

We will be growing seasonal vegetables in our gardening plot and these will be cooked in our school kitchen for the children to eat.

Trips & Visitors

The children will be visiting Celtic Harmony, details of which, will follow.

RE Topics include:

Creation and Covenant (Autumn 1) and Prophecy and Promise (Autumn 2)
